

## The Bus Puzzle

A bus was driving through town picking up passengers. All passengers disembarked at the final stop.

1. Mr. Van Houten got on before Nelson.
2. The foreign youth shared his candy with Ralph, who was already on board.
3. The brother and sister got on at 742 Evergreen Terrace.
4. Martin and the twins got on at the same stop.
5. Wendell boarded before Lisa, but after Mr. Muntz.

What was the bus driver's name?

## The Train Puzzle

Each of these trains has a specific pattern for naming its six boxcars. Figure out the pattern for each train and label the sixth boxcar.
